MEMORANDUM

Date: November 19, 2008

To: The Governing Board Members

From: Joseph T. Edmiston, FAICP, ASLA (Hon), Executive Officer

Subject: **Agenda Item XVI: Discussion and possible action regarding County of Los Angeles Hacienda Heights Community Plan Update.**

Staff Recommendation: As the Draft Plan has not yet been released, board members may wish to direct staff to review this document once it is available, and decide if it is appropriate to bring this item back to a future WCCA meeting for consideration of a comment letter, provided that the WCCA meeting schedule permits.

Background: This is primarily an informational item. The County of Los Angeles is expected to release for public comment the Draft Hacienda Heights Community Plan in late November 2008. Part A of the plan is available online (http://planning.lacounty.gov/hacienda.htm) and was previously available for public comment. Currently, the Department of Regional Planning planners are reviewing and responding to the comments received on Part A and are finalizing Part B, to be included in the Draft Plan. WCCA staff will review the Draft Plan and can agendize it for the adoption of a comment letter at the next WCCA meeting (scheduled for January 7, 2009) if appropriate. However, the comment period may not coincide with the WCCA meeting schedule. Some WCCA members may be interested in reviewing the Draft Plan on their own once it is released.
