LADWP BARREN RIDGE RENEWABLE TRANSMISSION PROJECT

Parks, Recreation, and Preservation Areas

February 15, 2011

Miles
1:100,000

POWER ENGINEERS

Legend

Project Components
- Land Use Study Corridor (1 Mile)
- Route Alternative Impact
- Route Alternative Node
- Tenth Mile Marker
- Mile Marker
- High Residual Impact
- Moderate Residual Impact
- Low Residual Impact
- No Impact

Parks, Recreation, and Preservation Areas
- Incorporated City Trail
- County Trail
- Mountain Recreation and Conservation Authority (MRCA) Parkland Trail
- National Forest Trail
- Pacific Crest National Trail (PCT)
- California Desert Conservation Area
- California State Park
- MRCA - Santa Monica Mountains Conservancy Park
- MRCA Property
- Proposed City Park
- Existing City Park
- Wild and Scenic River (Eligible)
- Inventoried Roadless Area - 1B
- Significant Ecological Area - LA County (SEA)
- Proposed Significant Ecological Area LA County 2008 (SEA)
- Proposed Wilderness Area

Forest Service Recreation Opportunity Spectrum Zones
- Natural-Roaded
- Rural
- Semi-Primitive/Motorized (near natural areas - roaded)
- Semi-Primitive/ Non-motorized (near natural areas)

Utility Features
- Facility Footprint
- 500 kV Transmission Line
- 230 kV Transmission Line
- 115 kV Transmission Line
- 69 kV Transmission Line
- Pipeline

Transportation Features
- Divided Highway
- Major Highway
- Major Road
- Local Road
- Railroad

Administrative Boundaries
- County Boundary
- Township Line
- Section Line
- City Boundary
- State of California
- USDI Bureau of Land Management
- USDA Forest Service

Water Features
- Aqueduct
- River or Perennial Stream
- Lake or Pond
- Intermittent Lake or Pond
