

Campus Core

- 1. Seismic Performance Improvements**
 - To: Administration, Rio Hondo Tower (former library), Science Building and the Wray Theater Building
 - Improvements will be tied to other renovation work

- 2. Student Services Building**
 - Located at the Campus front door
 - Consolidates activities currently housed in several buildings
 - Serves as a connector from transit drop-off to upper and lower Quads

- 3. Library/Learning Resource Center (LRC)**
 - 94,000 SF of new reference, resource and educational spaces on two levels
 - Improved functionality and access
 - Opens to existing lawn area (Pelissier Terrace)

- 4. Administration Building**
 - Additional classroom space and improved administrative spaces
 - New Campus IT Center
 - Reconfigured Administration, Finance Offices Board room and support spaces with improved public access
 - Improved connection to upper Quad
 - Connection to parking lot F via a new elevator

- 5. Rio Hondo Tower**
 - Reconfigured to provide additional classroom space
 - Permits one time relocation of academic programs
 - Renovated to improve building system performance, safety and energy efficiency

- 6. Academic Commons**
 - Substantial number of new teaching and support spaces to meet projected demand
 - Serves as Entrance to Central Plaza and Lower Quad from Terrace Walk

- 7. Arts Center**
 - New studio gallery, administration and support spaces for the visual arts programs
 - Large multi-purpose campus commons assembly space

- 8. Wray Theater**
 - Revised loading area to improve function and screen it from the transit place

Lot F

Administration of Justice

Renovated and remodeled training and classroom spaces

Renovation to improve functionality and seismic performance

Lot H

Applied Technology

Lot G

Administration

Science

Alternate Parking Structure B

Potential site for parking structure if demand requires

Improves energy efficiency for all connected buildings

Upper Quad

Rio Hondo Tower

Student Square

Student Services

Central Plaza

CAMPUS CORE

Academic Commons

Wray Theater

Arts Quad

Alternate Parking Structure C

Warehouse

Transit Plaza

Provides central drop-off for automobiles, the Campus Tram and municipal bus lines

Provides direct access to new Student Services Building and major open spaces at the Campus core

Potential site for parking structure if demand requires

Elevator and pedestrian bridge connect parking to passage to Arts Quad.

Provide convenient parking for LRC users especially in the evening

Lower Quad

Library & Learning Resource Center

Arts Center

Maintenance Facility

Child Development Center

New Administration and Service Building

New parking and arrival area

Central Quad Spaces

1. Upper Quad

- Active outdoor space with stepped terraces, lawn and paved areas

- Shaded by a canopy of trees (a precedent of the original Campus)

- Provides access to Administration, Classrooms and Student Services

2. Student Square

- Central gathering and meeting space half way between the Upper and Lower Quads in elevation

- Connected to both by a series of generous steps that double as amphitheater-type seating

- Potentially connects directly to the Student Services Center which will serve the building and further animate the outdoor space

3. Central Plaza

- Located at the North end of the Lower Quad, the heart of the Campus

- Accessed by the central walk, ramp and steps leading from the 'Student Square' and the Upper Quad

- Cafe will open onto the Plaza filled with tables, chairs and a fountain

- Campus flag poles will be located here

4. Lower Quad

- Accommodates large gatherings for programmed activities or small groupings on the lawn areas under the informal arrangements of shade trees

- Provides access to the Wray Theater Building, the Learning Center/LRC and the new Arts Center Building

5. Arts Quad

- More intimate in scale than the other Campus Quad spaces

- Provides an excellent casual meeting and outdoor study space

- Access from the Lower Quad and the new passage between the Wray Theater

- Building and the new Arts Center Building

- Provides access to the Wray Theater Building

Central Drive Entrance

- New sidewalks and crosswalks

- Standard traffic lanes allows for narrower street

- Relocated Information Booth

Athletic Fields

- New grandstands at soccer field

- Re-oriented softball field

- Pedestrian bridge over Rio Hondo Parkway

- New baseball field

- New drop-off

- Batting cages for softball and baseball

Relocated Baseball Field

Drop off

Batting Cages
