

Tapo Canyon Property

The property is accessed through Tapo Canyon Road.

Lost Canyons Road is visible on the left-hand side of the photo below.

Tapo Canyon Property

The property's primary canyon viewed from the northeast.

Several ancillary canyons are adjacent to the main canyon.

Tapo Canyon Property

The property contains over 75 mature oak trees.

Tapo Canyon Property

The canyon's critical role as an east-to-west animal corridor linking Chivos Canyon and Las Lajas Canyon to Tapo Canyon has been thoroughly documented.

Walking trails extend through the canyon.

Tapo Canyon Property

The canyon is characterized by relatively flat rolling pastures.

Looking northeast to Chivos Canyon from the eastern edge of the property.

Tapo Canyon Property

Looking south to Chivos Canyon from the eastern edge of the property.
