Dear Ms. Skei

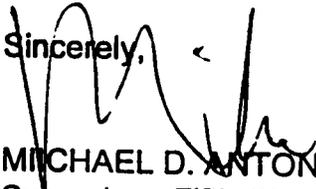

I would like to take a moment to thank you for your letter to the Board supporting the removal of Towsley Canyon from the County's Siting Element and Solid Waste Management Plan.

As you know, the Board unanimously approved my motion to delete Towsley from these Plans on Tuesday, June 24. While I believe that the Board understood the issues and would have ultimately taken this action on its merits, I recognize that your letter made their respective decisions to support my motion very easy.

Hopefully, when the Plans come back to the Board later this year for approval by the County, we will be able to cause the deletion of Elsmere Canyon as well. However, it was very important to protect Towsley and your letter was very important to the success of that endeavor.

On behalf of the residents of the Santa Clarita Valley and those concerned with the protection of the Santa Susanna Mountains, I want to express our appreciation for the letter and the Conservancy's support on this issue.

Sincerely,

MICHAEL D. ANTONOVICH
Supervisor, Fifth District
