		1019.
B	SR91/SR71 Interchange Improvement Project	RCTC and Caltrans. MND comments due 12-21-10. http://www.sr91-sr71project.info/ 12/10, State Parks commented. Per MND, 5-10 State Parks wrote concurrence w/Section 4(f) de minimus impact finding. Requires slope easement from CHSP. In MSHCP. USGS disagrees about whether the impacts are minimal based on location of the pylons that are necessary. Lisa Lyren of USGS know more. Here recent Caltrans funded studies on undercrossings under the 91 and 71 would make for an interesting presentation.
B	Measure M2 Environmental Mitigation Program Call for Candidate Acquisition Properties	Property Info. form due 1-14-11

A	AERA project (DEIR, annexation)	<p>Aera has said it will await the outcome of the potential sale of the OC lands to OCTA before they resubmit their project to LA County because it would require a redesign of its project. Appraisal is underway as of 6/2011. (7-6-11 no updates per JD). Per JD (8/10) sent a ltr in May 08 outlining concerns; nothing expected to happen. As of 2/10, nothing from Aera, per Diamond Bar. Sup. Campbell (OC) reported that Aera told him that they are no longer processing its project in Diamond Bar. Since they are not a willing seller, Aera is no longer being considered for funding in the first round of Measure M funding. Next round is Summer 2011. Next round is now and apparently Aera is back in.</p>
B	Diamond Bar-3 Industry properties DB may buy (8269-008-270), north of Aera, west of Crestline	<p>Per JD not actively working on (7-6-11 no updates per JD). As of 2/10, 10/28/09, underway, slow. Probably not complete until sometime next year. As of June 08, escrow closes May 09 on Industry property; no updates since. Diamond Bar not sure if wants to buy 2 other small industry properties. Per DB, as of 5-20-09, currently conducting a Phase 1 environmental review of the property. DB intends to extend the current escrow with the City of Industry for several more months. No action.</p>

C	LA County Dept. Reg. Planning Update Title 22, Zoning Code	This project (notice for Division 1, a document containing the draft Introductory Provisions for Title 2 released 24-21-11; due 5-11 or 5-25-11), the Technical Update to Title 22, will reorganize and simplify the existing code, correct errors and omissions, and remove obsolete and redundant regulations. There will be no modifications to land use regulations or development standards. ordstudies@planning.lacounty.gov (Low priority. JT to review if time)
A	OC/LA Intercounty Transportation Study	WCCA commented Dec. 08. Requested to be on mail list. No CEQA for study. No action.
C	Santa Ana River Interceptor	State Parks would like to see a pedestrian bridge over Santa River to provide better access to Aliso Canyon in the Park. Lisa Lyren thinks, if designed properly, it may enhance wildlife movement – deer are apparently troubled by the new riprap along the river bank. 9-10 SARI line to be installed and bike path detour...State Parks is tracking-some reach(es) may be important. DEIR for Reaches IVA, IVB (upstream Prado Dam) due 4-6-09. (State Parks did not comment on the NOP.) FSEIS/EIR comments due 6-8-09. Judi received CD; does not know State Parks position...
B	91 widening	Ties into SA River Reach 9/Ph 2A. DEIR not out as of 9-10

C	Canyon Crest Project (Brea)	Canyon Crest is coming alive and planning to continue seeking project approval. 1-20-09 Council hearing. 2-17-09 tentative hearing. Maybe to Council 4-09. No action now. New property owner as of October 2009. The city is considering what additional items would need to be studied in a subsequent or supplemental EIR. Landowner considering whether to proceed. They paid their fees to keep the project alive. Since they are not a willing seller, Canyon Crest is no longer being considered in this first round of Measure M funding. Next round is Summer 2011.
B	SR 91 Corridor Improvement Project	DEIR/EIS comments due July 5, 2011 (or July 11, 2011 per website); Coal Canyon at risk. ; JT asked for extension; RCTC said if comments late, would be accepted in the admin record, but may not be responded to in envtl doct.
