SMMC Proposition 1 Amended Grant Guidelines - Corrected
Public Comment Period

The Conservancy has drafted a corrected version to the existing Proposition 1 Amended Grant Guidelines, which has been made available for public comment up to and including the Conservancy meeting on September 25, 2017.

At this time, the Conservancy is providing a corrected version of the proposed Proposition 1 Amended Grant Guidelines to address the following issues:

- Requirement to demonstrate that all options to use renewable or non-potable sources of water were explored for tree or vegetation planning.
- Amending the disadvantaged communities requirement to accommodate for project planning.
- Correcting the CalEnviroScreen references and hyperlinks from version 2.0 to version 3.0 to reflect the most recent data.

The current SMMC Proposition 1 Grant Guidelines, Grant Application Form and other important information regarding SMMC grant programs is available at:

www.smmc.ca.gov

Comments regarding the amended guidelines may be brought to the Conservancy meeting on September 25, 2017, emailed to grants@smmc.ca.gov, or delivered at the following address:
